October 11, 2018

Dear Friends and those who would like to be Friends:

As many of you are aware our President of the past 14 years Terry Jones, has passed away and we at the Executive Board of the Friends of the Library of Flagler County find ourselves without a Vice-President that can assume the reigns of President

We are looking for people to volunteer to be on the Executive Board of the FOL. Some of you may have already spent a fair share of your retirement years volunteering, being active FOL members and now enjoying your "2nd retirement" by just being a FRIEND. Good for you! And thank you! On the other hand, some of you might be feeling you could help your library more, but not sure how or where to go to help out.

This letter is meant to be your inspiration, your impetus to say "I could do that" or, "that sounds like fun" or, "hey, what a great way to give back!" No matter which of these thoughts cross your mind, fit your current life situation, or even spur some other urge to give back or pay it forward – we are looking for you!

There are positions to be filled on our Executive Board as follows:

President – The "face" of the Friends. A chance to show your management and organizational skills. This person works with the various Board members to coordinate and set the direction of the FOL. They run & set the agenda for the monthly Executive Board Meeting.

Vice-President – A person who would like to be a President in training, so that the next transition will go smoothly. This person helps the President with all their functions. They cover for the President at monthly Executive Board meetings when the President is unavailable.

Membership Chairperson – This person sets up our membership drives, our Wine & Cheese event, maintains our data base of members, deposits membership dues, and checks membership at our book pre-sales for members only (twice a year).

Web Chairperson – This individual keeps our Website up to date. They ensure a system is set-up of communication with the Library staff and Program Coordinators to ensure updates for happenings at the Library are accurate and timely. Most work can be done from home.

We need YOU! It is a time for people with new ideas, love of the Library, and a desire to give back to their community to step forward. To get answers to any questions you may have or to let us know that you are interested please call or e-mail me as shown below. Thank you for your understanding that we are going thru a transition period, We remain your Friends.

Sincerely, Ken Jones (Treasurer Of the FOL)
